PRESIDENT'S MESSAGE

As a first time president of OHWGA, I find it amazing and inspiring that this league has been run by volunteers for 35 YEARS! I would like to thank all the terrific people who have served on the board and committees for all their hard work. As our membership naturally ebbs and flows however, there are times we need to make an extra effort to get help running our events. This season we have an urgent need for volunteers on the Hospitality Committee and I am asking everyone to give a little bit back and help out. Please call Ann Otto our Hospitality Chair and give whatever time you can to make our events as fun and successful as ever.

Although there is still snow on the ground it's not too early to think about the upcoming golf season! The board has worked hard over the winter to organize new and exciting events and changes to our tournament schedule.

We are trying something totally new this year for the Club Championship: Match Play! We hope to encourage participation with this new format. The flights will be seeded according to handicap and each round will be given two weeks to be completed, giving pairs more flexibility in scheduling their matches.

Due to this new format, there will be two additional tournaments this year and we've brought back some old favorites: Red, White & Blue to celebrate 4th of July and Irons Only to break us out of our favorite club rut. And we're introducing a new tournament called 1, 2, 3 Best Ball to keep us all on our toes.

I am looking forward to another great season at Oak Hills and to seeing you all out on the course.

Rebecca Oresman

NEW TOURNAMENTS

CLUB CHAMPIONSHIP 2007: This year the club championship will be a match play format. You will be paired according to your handicap within your chosen flight. You compete hole by hole and the golfer who wins the most holes in the round wins the match and advances to the next round. There will be no handicap used in the scoring. The player with the lowest handicap in the flight will be paired against the player with the highest handicap in the flight, the player with the second lowest paired against the player with the second highest, and so forth. There will be a Club Champion and a Runner Up Club Champion, as well as a 1st place and runner up in each of the B, C and D flights. All Match Play rules apply for this tournament.

The deadline to sign up is Monday, June 4th at 12 noon. With eight players in each flight the rounds will proceed as follows: First round finished by July 11, second round by July 25 and the finals played on August 4 (rain date August 5).

We also have three new tournaments:

1,2,3 BEST BALL: Each player on the team plays her own ball throughout the round. On the first hole, the lowest score among the four players counts as the team score. On the second hole, the two lowest scores

become the team score. On the third hole, the three lowest scores become the team score. On the fourth hole, it's back to the lowest score, and so on throughout the round. Handicap to be adjusted.

RED, WHITE AND BLUE SCRAMBLE: Making a return from a few years ago, this tournament starts off with everyone driving from the red tees on the first hole, picking the best drive and continuing through in scramble format. Everyone drives from the white tees on the second hole, from the blue tees on the third, red on the fourth and so on throughout the round, continuing in scramble format. At least three drives by each team member must be used during the round.

IRONS ONLY: Also making a return from the past, this tournament requires that players leave their woods at home (or in the trunk of their cars) and use only their irons. This is a great tournament to sharpen your skills with your various clubs.

DON'T FORGET THE HOLE IN ONE CLUB

*So you think you'll never shoot a hole-in-one?
We had two members do it last season (one hadn't joined the HIO club and the other wasn't at Oak Hills).
The \$344 pot will increase and is waiting for you!
All you have to do is join the club for \$2 and then hit a hole in one during the 2007 season at Oak Hills. Be sure to fill out the verification form (at the pro shop) to be eligible.
The prize will be divided evenly between the winners.*
