March 2011

Spring is just around the corner!

This record-breaking winter certainly had me dreaming about times spent at Oak Hills. I, and surely many of you, am anxiously awaiting the start of the golf season.

The board has been hard at work reviewing and planning this year's events. Our tournament committee has put together a season we hope you will enjoy. The Member-Guest tournament, our highlight event, looks to be both fun, and imaginative. You never know what to expect and surprises will abound!

Economic challenges remain on the forefront as many of us find it harder to make ends meet. Just as our new Governor had discovered, sometimes you just have no other choice but to raise taxes or, in our case, our dues. In the past several years, our annual dues have remained unchanged. Included in our dues is the GHIN fee. This fee has risen every year. In the past, we were essentially subsidizing this increase. However, this is no longer feasible. It was the decision of the board to increase our dues by \$2, making the annual amount \$61 per member. This was a difficult decision but necessary in order to fund the tournament prizes, member get-togethers, and other various expenditures that occur throughout the year.

Golf is not only a challenging sport but also an enjoyable social event. I hope you will all join me at the Spring Meeting on March XX. If you know of anyone interested in becoming a member of our Association, please invite them to come and join us so they can hear the benefits of being a member of OHWGA first-hand.

Looking forward to seeing you,

Maria Kulscar, President, OHWGA

## Flighted Tournaments Added

This year we have changed the tournament prize structure in response to member comments which were relayed to the Board. Six tournaments have been set up with one gross winner and 2 net winners for flight A/B, and the same for flight C/D. This should afford players in flights C and D more opportunities for gross prizes.

Of course, we have kept some popular tournaments, like Criers and Hate 'em, and my personal favorite, "Trouble!" If you have any suggestions for new tournament formats, please contact your tournament co-chairs, Mary Ann Capiello or Sue Norton.

### 2011 Member-Guest Tournament is Monday, August 8, 2011 Morning Shotgun

Despite the long and very snowy winter, the Member-Guest committee is thinking of warm weather and spring. This year's theme is "Garden Party", and promises to be great fun. This has been our most popular event, as well as a fundraiser for Rally for a Cure. So think of a fantastic summer garden, and come join the fun on August 8th. More details to follow.
